Carver High School

Hello Readers. Well, one worry is off our minds and that is mid-semester exams. We are so glad, for we think we have gone through the worst.

Seniors on Honor Roll were Charles Jeffries, Lelia Moore and Gertrude Mickle, honorable mention.

The Seniors were shown a movie entitled, "How to write a term paper," which they said was very helpful.

The Class Will, Prophecy, History, Song, Poem, are getting a lot of attention during the last week. The Seniors are preparing for the printed edition of the Herald, which will be devoted entirely to the Senior Class.

The 12th grade Government class is trying to analyze the world problems with interesting discussions and the writing of a theme on "Should 18 Year Olds be Drafted?"

Margaret Madison, Lille Mae Lewis, and McKinley Tanner, Student Council members from the 11th grade, are busy getting information to form a Student Court.

The Juniors have planned to take an educational trip to Washington in May.

The boys are scheduled to leave for Charlotte Courthouse High School Thursday, February 1, to play their second game.

The teachers had their meeting on Wednesday afternoon for making out the Progress Report of the school. It is hoped that all data was completed.

The March of Dimes Drive is quite a success. The 12th Grade has broken the thermometer with 100 per cent participation in bringing in all cards filled. The entire school has raised over $50.00 so far.

In Biology, the Tenth Grade saw a movie Tuesday, "Mammals of the Countryside." Let's see some more.

The Tenth Grade girls are busy in Home Ec., working on their woolen spring skirts, short jackets and dresses. A fashion show is in the offing.

Wonder what's the matter with Truemellow Ferguson? She's not speaking to Helen Austin. Could it be that Herman Williams is involved?

The Ninth Grade is busy working for the March of Dimes. They sold pies and drinks in the hall Tuesday at the lunch period, all for the benefit of the Drive. This class is also working on another play.

This is all the news for now. Until next week, we say — "Peace rules the day, where reason rules the mind."

Draft of some 4-F and married men may be near.

Nothing Better Than Good Food, Says Ohio Man

If a man isn't able to eat the foods he likes he's in mighty sorry shape—imagine going through life without being able to enjoy a fine big platter of bacon and eggs. That is the way Joseph N. Damillot, 3414 E. 5th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods. Mr. Damillot found that taking HADACOL helped his system overcome a deficiency of Vitamins B, B, Niacin and Iron.

Here is Mr. Damillot's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the gas on my stomach at night. I could not keep food on my stomache, but after the first bottle I was going great. Now I eat bacon and eggs, and other foods that never would stay with me. I also can sleep well at nights thanks to HADACOL. I will never be without it and can recommend it to all who suffer with the above ailments that I had. I know because I have used it for a long time."

Let HADACOL help you, too!

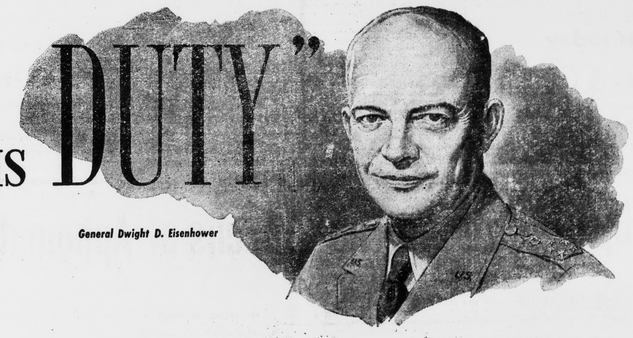
"THE BIG WORD FOR ALL AMERICANS IS DUTY"



General Dwight D. Eisenhower

The *Might of America* is a composite of many things — the love of freedom, the ability to fight, the ability to work, the will to serve, the sense of fair play, the recognition of responsibility, the desire to win, the refusal to quit.

In a national emergency, all these things become *DUTY* — "the big word for all Americans."

Our nation is in one of the most critical periods of its history — one demanding that all of us on all fronts — not just the fighting man in the field, but also the man at the desk, at the machine, behind the counter . . . the housewife in the home . . . the teen-ager in the classroom — work together for the common good. *Complete cooperation and unity are vital to national and individual survival and nothing must be allowed to weaken the might of America.*

It is the duty of the individual to help abolish bickering among ourselves. There *must* be no indecision, no war of nerves. There *must* be no profiteering, no hoarding, no black mafketing . . . there *must* be no slandering and rumor-mongering.

The recognition of these MUSTS is the key to American might . . . and the DUTY of each of us. "THE BIG WORD FOR ALL AMERICANS IS *DUTY*."
